FirestarxReader

Firestar was chatting with Sandstorm. You glanced at her with disgust. She and you never got along. Even as apprentinces....

Flashback

" I bet I could climb higher than you , (ya n)." Shouted Sandpaw . " No you can't ." You meowed . You two scrambled up the tree . " I won !" Meowed Sandpaw in happines . " Ony because you cheated !" You squealed . " Whatever , let's go mouse brain ." She meowed . You muttered something under your breath . Sandpaw and you climbed down and walked back to camp . " Hey Sandpaw and (yan).", meowed Firepaw . " Hello ." Meowed Sandpaw flurtingly .

End of Flashback

You glanced at her belly. It was swollen. 'Firestar's kits,' you thought, 'lucky her.' Even thought you never wanted kits, you just hated seeing Sandstorm have them with Firestar. You sighed as Brambleclaw padded over to you. "You are on a hunting patrol with Greystripe, Sandstorm, and I. "Great." You smiled. Sandstorm looked at you and snickered. You flinched.

Time skip brought to you by .... Sandstorm ! Yea !

"We will split into groups of two, Greystripe, go with *ywn.* Sandstorm will come with me." Meowed Brambleclaw. You nodded. 'Yes I'm not with Sandstorm.' You cheered in your head.

You and Greystripe padded deeper into the woods. The two of you hot three mice and two blackbirds. You two decided to sit and talk for a bit.

"Hey *ywn* how is life?" Asked Greystripe.
"It is fine." You meowed.
"I have seen the way you look at Firestar." He meowed, "You have a crush on him."

"W-what!" *Ywn* studdered.
"Well now I know it is obvious." He meowed.
"Let's just hunt!" You meowed padding away.
Greystripe rolled his eyes and followed.

The two of you brought the prey back to camp. You grabbed a vole. As you padded toward the corner of camp to eat it, you bumped into Firestar. He fell on you. The vole went flying.
Firestar looked at you.
"Sorry!" You meowed looking at him.
"I was looking for you anyway, Greystripe said you wanted to speak with me.
"Mouse dung!" You muttered.
"What?" He asked.
"Nothing, but could you get off please?" You asked.
"Sure *ywn."* Meowed Firestar getting off and sitting beside you. *Yw*n sat up.

"I like you, Firestar." You spat out not even realizing.
He likes your check. "I like you too." He meowed
"What about Sandstorm?" You asked.
"She chose Dustpelt over me." He meowed.
"Ohh." *Ywn* meowed.
"You thought me and Sandstorm were mates, didn't you ywn?" He asked.
"Yea." You meowed.
"Well you be mine?" He asked.
"Forever and always." You meowed.

Finally , done ! I got Firestarxreadrr done first so it won't get requested . I am working in requests right now so don't worry . Still request though . That's all ! I hope you are enjoying the book so far .

JayfeatherxReader

Requested by:

"Ouch!" Hissed *yw*n as Jayfeather pulled the last thorn out of your side.
"Can you promise me something?" He asked.
"What?" You asked.
"Not to be a mouse brain and roll around in thorns.

There he is. The Jayfeather you love. Grumpy, but adorable.

"I didn't roll around in thorns, I went to get a mouse and tripped and fell into a bush." You meowed.
"Why didn't you let it go, this just takes awhile for me to do. I could of been doing something else." He meowed.
"Like what?" You asked.
"I don't know." He hissed.
"Gosh, don't get upset about it." You meowed.
"I'm not." He meowed.

"Yes you are!"
"No I'm not!"
"Yes you are!!"
" NO IM NOT!!!"

He was full of anger. You didn't know what to do. So you licked his check when he yelled in your face.

Jayfeather shut up. He looked at you and began to blush.

Then he began yelling at you again.

"What was that for?!" He hissed
"I just wanted you to shut up!" You yelled.

"There are better ways!" He yelled.
"I didn't think!" You yelled back.

"Like most times!" He yelled.
"Why do you hate me?" Asked *ywn.*
"I don't, I'm madly in love with you , *ywn."* He hissed.
"You are?" You asked.
"Yes, but I can't be with you." He meowed.

You licked his check again.
"Then it can be are secret." You meowed.

USUKISBESTSHIP

"Squirrelflight, I love you." Meowed Ashfur. "I don't love you!" Meowed Squirrelflight. She stood up and stomped away. You watched from a tree. Your heart hurt for him. You have had a crush in Ashfur since both if you were apprentices. If only he ever noticed you.
You jumped down from the tree only to see Ashfur pad your way. "Hello!" You meowed looking at him. He looked up at your (ec) eyes and sat down. "Hey!" He meowed quietly. "Are you okay?" You asked. "No," he admitted tears rolling down his face (**yes I know cats don't really cry)** .
You meow, "It's Squirrelflight, isn't it." You waited for a reply. "Yea, what's wrong with me?" He asked you.
"

Nothing is wrong with you. Maybe Squirrelflight just isn't the right she-cat." (Wn) replied. "Yea, thanks!" He meowed standing up and padding away. "No problem", meowed (wn), " I just wish you knew the right she-cat was from the beginning."
(Wn) pads slowly into camp. You walk up to the fresh kill pile and grab a vole. You the sit near the warriors den. Ashfur sit next to you. "Thanks." He meowed. "For what?" You asked. "For helping me get over Squirrelflight." Replied Ashfur. "I did that?!" You asked. "Of course." He meowed. You smiled, "How did I do that?" "W-well, I realized that the right she-cat , was right in front of me." He replied. You blushed. "I knew you liked me, "He meowed, " it just took me awhile to figure out that I liked you!" He licked your cheek. "I love you Ashfur!" You meowed. " I love you too, (wn)." He meowed intwining his tail with yours.

10 moons later

"One more!" Meowed Leafpool pushing on your side. Ashfur was was padding outside impatiently. You yowled in pain. "(Wn)!" Yelled Ahfur trying to get onto the nursery. "No!" Snapped Leafpool to Ashfur. He quickly backed out. The last kit slid out. "A tom." Announced Leafpool. She nipped the sack open, licked the kit warm, and pushed the kit toward your belly. "Two toms and a she-cat, congratulations." Meowed Leafpool. "Can I form in now?" Asked Ashfur. "Yes." Meowed Leafpool. Ashfur padded in and as Leafpool padded out. "If you need anything, just yowl." She meowed. "Alright." You meowed. You looked at Ashfur then at your kits. "What should we name them?" You asked. "How about (kit name) , (kn), and (kn)." Meowed Ashfur. "Perfect." You meowed. "Your really are the perfect she-cat for me." Meowed Ashfur smiling.

I've been crazy busy and kinda lost my interest in writing but i'm trying to find a new hobby and I want to try picking this back up again. So any thoughts if i should pick this back up? Thanks and I hope to hear from you all soon! ~ Cinder
